GIRARD COLLEGE

PHILADELPHIA 21, PENNSYLVANIA

Dear Mr. Girard:

It was Ralph Waldo Emerson who once said, "An institution is the lengthened shadow of one man." Now, on our graduation day, we can fully realize and appreciate these words as they have significantly affected our daily lives for so many years.

Your shadow, Mr. Girard, does not merely blanket this lovely campus with all its impressive, grey marble buildings; nor does it merely reach to the instructors and the many students. It extends outward from Girard, its projections touch the lives of thousands of Girardians. It extends to wherever people have heard the name "Stephen Girard."

Yes, it can truly be said that your tremendous influence has not only affected the more than 5,000 young boys you have fathered over the past one hundred and eleven years — it has affected all the world.

While we have lived within the protection of your school, you willingly accepted the job of being a foster father for all of us of varied classes, religions, and backgrounds. It is only now that we can understand what a great job it has been. You have given us care and comfort, protection and guidance; you have been with us through our growing years.

Girard College gives every student a sound academic education, and also gives them all they could desire to prepare them for a full life. You have proved this in the great Girardians who have gone before us.

"When I am dead, my actions must speak for me."

Your actions have spoken well for you, and will continue to speak well for you in time to come. If we emulate your deeds in our daily lives, our deeds will likewise stand us in good stead. In these prophetic words you spoke, so many years ago, you have given us a strong foundation on which to construct our lives.

The setting of the sun this day will find each one of us gone our chosen way, but mere distances will not sever the ties of friendship and brotherly relationships that have been firmly established in the last ten years.

National Honor Society

The National Honor Society is an honorary society to which those members of the Junior and Senior Classes who excel in the qualities of scholarship, leadership, citizenship, and service are elected.

Twice a year, in the fall and spring, those who have been chosen by the existing members of the N.H.S. and by the faculty are inducted into the Society. This is one of the most important assemblies of the year. Some prominent person of the area is invited to give a speech on what he feels is pertinent to the occasion. The importance of the assembly is felt throughout the audience, as none of the boys knows who might be called to the stage to receive the gold pin symbolizing membership in the Society. Upon receiving their pins, the newly inducted members take the following oath: "I pledge myself to uphold the high purpose of this Society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life." With this oath, a responsibility is assumed that each member must observe. Although every member of the N.H.S. is not expected to be infallible, he is expected to act as an example and by his deeds be a good representative of his school and of his chapter of the Society.

During our fall term as Juniors, Arthur W. Ambrush, William L. Eliasson, James J. McDewitt, Charles J. Weiss, and James F. Westgate were chosen to receive their pins, an honor of which they may well be proud. From these five boys, the officers of the Girard College chapter of the Society were elected. Jim McDewitt became the President, Bill Eliasson was elected Vice-President, and Jim Westgate was appointed Secretary-Treasurer.

In our Senior year, seven more boys were inducted. These seven, Walter J. Green, Raymond E. Frey, Gilbert McDonald, William T. Ricci, William D. Walker, Gomer R. Williams, and David A. Young helped to make the membership from the Class of 1959 a more complete group.

The generosity of the Girard College Alumni Association is also evident in the National Honor Society. The twelve members from the Class of 1959 wish to thank the Alumni who sponsor two dinners a year. Thanks are also given to Mr. Albert H. Schoell who effectively served as faculty sponsor of the National Honor Society.

The Girardian fulfilled everything that we had anticipated from a good school magazine. Nothing less could have been expected as both our editors, Robert Fisher and Harry Leister, were talented and indefatigable workers. As a faculty sponsor we were lucky in having Dr. Raymond I. Haskell. With his assistance, the editors chose the best of the contributions of high school students and two excellent editions of *The Girardian* were published.

The staff was composed of Juniors and Seniors who worked with the editors of the magazine. Much of the material in *The Girardian* was the result of their work, but in an effort to get a wide variety of material, teachers were invited to submit examples of writing from their classes.

This year, a Middle School Editor was introduced to gather material from the lower grades.

As printing advisor, William McDevitt, with the aid of Mr. M. Arnold Daffin and the boys in the print shop, supervised the lay-out and printing of our magazine. Without them our work would merely be literary exercise. We express our thanks to Mr. Daffin and his students.

Andrew Hasty and Paul Shoemaker, who served as illustrators, did a superb job in adding color to the publication. Although the magazine is principally an activity for those who can write well, it also uses those who are able to draw well. A good essay or short story is made better by attractive illustrations. Consequently, those who wrote for *The Girardian* were delighted when one of the illustrators could portray in a sketch the main theme of their article.

Those who contributed to this publication feel that it was a valuable activity in their Girard life, and that the satisfaction of accomplished work was indeed worthwhile.

Allen Hall, June 11, 1959

Dear Classmates:

At the close of our Junior year you elected us as editors of the 1959 *Corinthian*. Since that time, we have done our best to present you with the finest yearbook that was in our power to produce.

Our only hope is that, years from now when you leaf through this final record of our stay at Girard, it will bring back vivid memories of our years together.

Our sincere thanks go to Mr. Caswell E. MacGregor, to whom we have dedicated this book, and to Mr. M. Arnold Daffin, for their invaluable assistance.

We would also like to thank the other boys on the staff who did such a commendable job on the writing, photography, drawing and printing of this book. They are as follows:

Personalities — Anthony DeStefano, Robert Fisher, Charles Vennel, Hugh Carpenter, and Alan Kornish.

Sports — Jay Stormer, and William Walker.

Activities — James McDevitt, James Westgate, and David Young.

Art and Photography — Art Editor Paul Shoemaker, Andrew Hasty, William Eliasson, Horace Miller, Christopher Leithiser, and Charles Koennecker.

Miscellaneous — William Ricci and Michael Sedlock.

Printing Advisor, James Marr, who helped us when we needed technical advice and who directed the printing of this book.

Business Manager, Gilbert McDonald, who found no task too little to be left undone.

Although we must leave Girard in body, our hope is that through this book we shall be loyal in spirit.

Sincerely,

The Editors

As our Senior year began, the responsibility of publishing *The Girard News* fell into our willing but inexperienced hands. The initial issue created mixed feelings with both faculty members and students, but as the year progressed, *The News* established itself as a first-class student newspaper.

Responsible for its success were Co-Editors-in-Chief William Ricci and Michael Sedlock, who were elected during our Junior year, and Mr. Caswell MacGregor, whose guiding hand helped us with our problems.

To lessen the burden on the Editors-in-Chief and sponsor, several assistants were appointed. Serving in these capacities were Robert Fisher, News Editor; David Sharp, Humor Editor; Gilbert McDonald and William Walker, Sports Editors.

New policies included higher requirements for recognition on the masthead, "By lines" for exceptional articles by reporters, and datelines for sports events. Deadlines were met religiously, since no credit was given for late material.

Exceptional coverage publicized such events as the Christmas Concert, the Talent Show, and the Senior Washington Trip. A new column, "Letters to the Editors," was introduced. Articles such as "How Can We Create a Better School Spirit?" aroused interest, and interviews with both administrators and class leaders proved worthwhile. Student and staff personalities were continued.

Responsible for the Exchange Department was Robert Sanville. Mark Brown was in charge of distribution, while Nicholas Badame acted as Business Manager. Printing Advisor, Donald Marsee capably filled his position. Photographers Kit Leithiser and Paul Shoemaker are to be commended for their fine work.

Remember the dances — the melodious tone of the Swing Band, as they played their theme song, *Talk of the Town*. They were an essential part of our social highlights. The 1958-1959 school year was a very successful one for the sixteen members who played at six class dances, two Officers' Hops, three Alumni Dances, two auditorium appearances, and three outside dances.

With the determination, interest, and cooperation exhibited by the members, Leader Todd Ellis was able to organize a group of enthusiastic musicians, willing to work hard for the proficiency they achieved. By the end of the season, the members had progressed from ordinary musicians to a skilled team that worked well together. New ideas were an integral part of the success and development of the band. Lou Krassen's tuba playing added a new touch. Music for the dances was selected solely for the enjoyable dancing. The selections played in the auditorium were usually songs introduced for the first time.

Terry Sweeney, drummer; Joe Rocco, drummer; Lou Krassen, tuba; Bill McDevitt, Walt Green, alto sax; and Todd Ellis, trumpet, were the Senior members.

The band played at Girls' High, Lansdowne Y.W. C.A., and Woodstown High dances. These fine performances gave the '59 Swing Band a name known to some degree throughout the Philadelphia area, but most of all known by us.

Concert Band

Left to right: Mr. Morrison, D. Kauffman, W. Green, T. Ellis, R. Kocher, D. Cermele, J. Balazentis, T. Sweeney, P. Keys L. Krassen, J. Smith, R. Fisher, W. McDevitt

The Concert Band was most fortunate this year in having twelve experienced Seniors among its ranks. Much of the credit for an exceptionally fine band must go to these boys, all of whom have served as officers. Louis Krassen, with an unusually fine knowledge of music, served as a very capable and hard-working captain.

Perhaps the greatest single factor in the band's success is that of the never-tiring efforts of Mr. Robert W. Morrison. With his patience and wonderful leadership he has produced a band of which he and all Girard can be well proud.

Another factor in the fine accomplishments of the band was the fact that the talent of the Seniors was well represented over the entire band. In the trumpet section were First Lieutenant Todd Ellis, Second Lieutenant John Balazentis, and Sergeant Jerre Smith. Captain Louis Krassen and First Sergeant Dominic Cermele rounded out the tuba section. The clarinet section included Staff Sergeant Roland Kocher and Sergeants David Kauffman and Paul Keys. First Lieutenant Walter Green and Staff Sergeant William McDevitt represented the saxes. Oboeist Robert Fisher and percussionist Terrence Sweeney both served as Second Lieutenants.

This year the Concert Band had its usual number of concerts plus a few new ones. The first, and probably most important, was the Christmas Concert. Some of the music was the most difficult any Girard Band has ever performed. Among these were: *Procession of the Nobles*, and *Polka and Fugue from 'Schwanda'*. Other memorable concerts included the annual zoo concert, the excursion up the Delaware on National Maritime Day, and exchange concerts with Olney, and for the first time, with The Hershey High School.

We shall never forget the Concert Band which did much to brighten our lives here at Girard. We realize that its members were a devoted group who worked conscientiously to provide us with a wide variety of good music which we deeply appreciated. We wish to express the best of luck to those who plan to continue to a career in the music field.

This year, as in years before, the Glee Club has done a fine job of providing vocal music for Girard. It could not have done this fine job without the excellent directing of Mr. James Case and the assistance of Miss Juliet E. Stacks. They did much more than was expected of them in giving us faith and encouragement and seemed to have an inexhaustible store of patience.

Many hours of preparation went into the Sunday Chapel Services and the various concerts which were performed throughout the year. Through the efforts of this organization we have also had our education in learning to appreciate the various types of music.

Much of the success of the Glee Club must be attributed to the effective leadership of its officers. Acting in the position of President was Rocco DiBattista with Victor Rocco as Vice-President. Harry Leister was Secretary and Angelo Rosati served as Librarian.

The highlight for the Glee Club came in December with the annual Christmas Concert. Everyone agreed that it was a superb performance from the beginning Processional to the final Amen of the *Christmas Prayer*. A few of the standout numbers on the program were *Christmas Song*, *Go Tell It On the Mountain*, and *A Virgin Unspotted*. The latter number was sung by the Concert Choir which also performed at the Broadway Hotel in December and provided the vocal music for the Christmas Pageant.

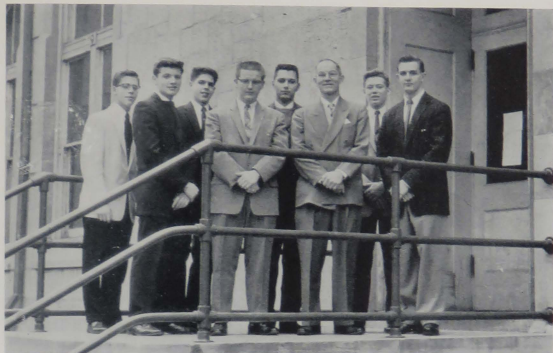

Four concerts were also given in the spring. These were the Founder's Day and Spring Concerts and the two concerts at Reading and Tredyffrin-Easttown schools. Some of the numbers included two spirituals, *Ain't That a Good News* and *Elijah Rock*, and a group of Fred Waring show tunes.

The Glee Club has demanded a great deal of hard work, but looking back, all its members agree that it was also an organization where much enjoyment and a sense of accomplishment was found. We shall always remember and cherish the hours we spent participating in this activity.

Student Center

Our daily lives in Girard have been made pleasanter by the Student Center, the only place where students of all ages could gather and enjoy the hour. Decorated with pictures, representative of Girard life, and athletic trophies, the "Center" has brought many happy hours to us.

Manager, Ray Frey; Assistant Manager, Richard Jones; and Bookkeeper, Robert Sanville headed the staff of workers. Joseph Bruno, Byron Orrs, and Francis Reig, also deserve credit for serving as counterheads of the store. Other helpers were Fred Firlein, Andrew Hasty, and Richard Calhoun, who contributed their work and time.

Many people in any good school are performing laborious tasks without thought of reward. Mr. Dunkle, the Center's sponsor, is this type of person and we are appreciative.

The store has annually played a large part in the Canteen and Alumni Dances, two Mothers' Days, and the traditional Founder's Day celebration. The staff were also on hand at the West Chester and Alumni soccer games with refreshments for the spectators. They sent free candy bars to our varsity wrestlers for Girard participants. On Halloween, prizes were given to boys who placed among the top four winners in a window-painting contest. New plaques were made to give a more up-to-date display of individual records. These were hung on the walls in prominent locations.

Meeting at the Friedmanns'

Their cardinal aim was to surpass the income of last year's store. This was accomplished. The pool table was refurbished and new equipment was purchased. A new item, the Hum "Rat," was introduced, and proved a booming success. Scarves and ties were also new additions. Chocolate milk and orange drink were added to the list of refreshments.

These are material accomplishments, but the Center feels that this year it has built a system of teamwork among the workers. On a democratic basis, questions and answers were discussed concerning principal problems. This was our '59 store. Congratulations, boys, for making the Center something of which we can be proud.

Led by our Cadet Major, John Nolan, a firm and respected leader, our Battalion has developed steadily through the year to become a brisk and efficient military organization of which we are proud.

In the Competitive Drills, in the Founder's Day exhibition, and even at the Officers' Hop, in fact wherever the Battalion appeared, there was conspicuously evident a spirit and quality of pride and accomplishment.

Effectively supporting the Cadet Major was his staff including Captain of Recruits James Falciani, Captain Quartermaster William Westerman, Captain Inspector Carlo Muzi, and Captain Adjutant James Stidham.

The individual companies were commanded by Captains Thomas Flanagan, Co. A; Horace Miller, Co. B; Chester Basher, Co. C; and Rocco DiBattista, Co. D. The Color Guard under Sergeant Major Angelo Rosati performed commendably.

A great deal of credit belongs to the other officers whose work was invaluable. They formed the backbone of the organization in carrying out their weekly assignments.

We also extend our profound feeling of appreciation to Colonel Hamilton whose belief in the Battalion and its purposes are the source of its spirit. His patience and firm fairness will always be remembered by those who served under him.

Mr. George Keller, J. Myers*

Much of the work done by the Student Council of 1958-1959 was centered on the discussion and solution of many small problems, no one of which seems important. Also there was a great deal of effort devoted to work which was preparatory for effective use by next year's council. Although no conspicuous achievements can be lauded, there was established, we believe, in the areas of school spirit, better attitudes, and deeper loyalties, a foundation for constructive accomplishment in the future.

In committee work questions of rules for eligibility, clothing regulations, and the program of entertainment were discussed with administration officials. Council members were given supervision of the Friday night movies, and their good work demonstrated their willingness to accept responsibility and their ability to fulfill its obligations.

As our sponsor for his second year Mr. George Keller gave us the benefit of his experience and guidance. Officers for the year were: John Nolan, Student Body President; Harry Leister, Vice President; Raymond Frey, Corresponding Secretary; and Louis Caporaletti, Recording Secretary.

One of the high points of the year was the Joint Student Council Meeting held at Girard. Council members and faculty advisors representing twenty private schools of the Philadelphia area gathered here for discussions of student council roles and problems. Mr. Keller was elected as the temporary chairman for the formation of The Association of Regional Private Schools' Student Councils. Next year's council will benefit from this formal organization.

The council under the leadership of John Nolan and Mr. Keller has become a stronger unit in the life of Girard and also an integral part of a new organization which will strengthen student councils in nearby private schools.

This year the staff of WGC faced a tremendous challenge — to live up to the fine standards set last year by the Class of 1958, a challenge that everyone will agree was met with success. Each Monday morning the listening audience of Juniors and Seniors left the auditorium feeling a little more invigorated after hearing a fine, humorous, well-balanced delivery of news, weather, views, and music.

Heading the staff were Director of Writers, Art Ambrush and Assistant Director, Mike Sedlock, who did a fine job of assembling and editing scripts for the Monday and Thursday morning shows. Assisting them were David Sharp, William Walker, Charles Weiss, Charles Vennel, James McDewitt, Charles Koennecker, Carl Swenlin, Robert Fark, Donald Marsee, Francis Gallagher, and John Hamilton.

Supporting the Head Announcer, Angelo Rosati, were Tom Baggio, Charles Farrell, Walter Green, Frederick Firlein, Robert Fisher, Thomas Flanagan, Carlo Muzi, Alan Shuss, Charles Vennel, Hugh Carpenter, James Falciani, and Ray Frey.

WGC-FM, a program introduced by the Class of 1958, maintained its high rating as a medium for classical music. Angelo Rosati and Tom Flanagan alternated as FM announcers every Thursday morning.

Mr. Henry V. Andrews deserves much of the credit, because the success of the program may be traced to the hours of work he contributed to perfecting each show.

Everyone associated with WGC can look back on the year with a satisfaction of a job well done.

Photography Club

The Photography Club, conspicuous for its lack of public recognition, was a vitally important cog in the machinery of our publications. A few of its members forfeited much of their free time in order that they might provide the pictures for the numerous campus publications. This included all sports and team pictures, social events, and staff pictures, all of which appeared either in *The Girard News* or in this issue of *THE CORINTHIAN*.

The Club was led by President William Evans, Vice President Christopher Leithiser, and Secretary-Treasurer Paul Shoemaker. Together these boys helped many new members learn the techniques and appreciation of good photography. The members would also like to express their thanks to Mr. Perley H. Pease who gave much assistance and advice as the faculty sponsor.

The class would like to express its sincere appreciation to these boys whose efforts have done so very much to improve Girard and its publications.

Between October and March, the riflemen displayed their skills through the peep sights. This year's attendance was comprised of eighteen Seniors and approximately thirty Junior members, all of whom were under the sponsorship of Mr. Elmer Sutton.

Mr. Sutton added another day to the previous one-day practice. This improved schedule allowed the Seniors and Juniors each to have a full afternoon of practice.

When the team first gathered, the following officers were elected: Joseph Bruno, President; Kit Leithiser, Vice President; Dominic Cermele, Senior Range Officer; and Lynn Avis, Secretary-Treasurer.

Because the Postal Matches were discontinued this year, no real competition was offered the team; however, the boys did shoot to gain awards from the National Rifle Association.

The Club members thoroughly enjoyed the season and hope that Mr. Sutton and the class of '60 have the satisfaction and pleasure that this class had on the target range.

Dramatic Club

During the fall of 1958 the Dramatic Club of Girard under the direction of Mr. Henry V. Andrews presented *Christmas for Girardians*, in which Hugh Carpenter played the lead role of a Girard alumnus who relives several poignant scenes of his youth.

In the spring of 1959 two contrasting plays were produced: *In the Zone* by Eugene O'Neill and *The Man Who Married a Dumb Wife* by Anatole France.

In O'Neill's maritime drama John Nolan, Jim Falciani, Dominic Cermele, and Tony Schiavo starred as members of the crew.

Angelo Rosati won his audience as a magistrate — the husband of the "dumb wife" which was played by Linda Silversein of Girls' High. Bob Fisher and Alan Shuss contributed fine support.

In last spring's memorable production of the famous *Stalag 17*, Angelo Rosati, Thomas Baggio, Alan Shuss, Hugh Carpenter, Chester Basher, Charles Freed, and Carl Swenlin represented the present senior class.

Elected as officers were: Angelo Rosati, President; Carl Swenlin, Vice-President; Alan Shuss, Secretary; and David Sharp, Treasurer.

The members of the club are grateful to Mr. Andrews for the very worthwhile and enjoyable experience they gained from their work with him.

Social Life

Urged on by the firm guidance of our Social Directress, Miss Miriam McGhee, our social education was thrust upon us during the Sophomore year in the form of ten dancing lessons and the well-remembered Coke Party. We were strictly who with the moral support of our sponsors somehow asked the girls to dance with us. Not until our second party in the Junior year did we discover the pleasures of dancing.

With the confidence and grace of experience we entered a new social world. The two Battalion Dances and the Bordeaux House Party were high points of the year.

The Senior year was, of course, filled with numerous opportunities formal and informal to enjoy Miss McGhee's training: the Swing Band Dance, the private parties, the Lansdowne Y, the two house parties in Allen Hall, the Victory Dance for the soccer team, dinners for various groups of which we were members, the Battalion Dances, and finally the Commencement Dance.

At the outset of our Junior year our hosts and hostesses were Mr. and Mrs. Robert Hartman, Miss Juliet E. Stacks, and Mr. Robert Bush. To our disappointment Mr. and Mrs. Hartman and Mr. Bush left Girard at the end of our Junior year. We were pleased when Mr. and Mrs. Caswell E. MacGregor and Mr. and Mrs. Malcolm J. Nicholson agreed to replace them.

Our final year at Girard was pleasantly colored with these memorable affairs and relationships. They were a welcome solvent for the ceaseless routine of studies and examinations. They were the sauce to the work of our Senior year.

Before we realized it Commencement Day had arrived; we had been feted with a dinner and a dance and no longer would Miss McGhee be arranging our social schedule and making life enjoyable. We owe her a great deal for the burdens she accepted to make it all possible, and thank her sincerely.

PRINCIPAL

OF

GIRARD COLLEGE HIGH SCHOOL

June 11, 1959

Dear Class of 1959:

Per aspera ad astra. (Through difficulties to the stars.) That's the way you feel about graduation from Girard College on this last day of your many years here. Happiness is a by-product achieved from work well done.

At last you have come to the turn in the road. You now see the rising of the brightest of all morning suns, and with it comes the glory, the beauty, and the promise of a new day — a new career.

How lucky you are! You have survived the difficult weaning from your home and mother when she turned her back to leave you here for the first time eight or ten years ago. Despite the rough hours of "taking it," as all boys have to in group living, and the blows and burdens that God's character-making plan brings in early adolescence, you have kept your shoulder to the wheel well enough in studies and behavior to survive every test here and accomplish graduation from one of the most famous boys' schools in the world. Congratulations!

Today you have a strong sense of newly found freedom. Tomorrow you will begin a new life in which you can go and come and perhaps do (for a while) just as you please. We earnestly hope you will assume the responsibility of continuing and extending the precious traditions of Girard College, which have been built and fostered by Girard boys and alumni for more than a century.

You are the heirs today of this magnificent tradition which represents character, conduct, and capability. How will you represent it in the years to come? We hope that in a large measure you will live by the ideals and habits we have tried to inculcate among you. Exercise them and they'll serve you well in furthering your education and in living right in our democratic society. You are the possessors of a rare kind of self-discipline which most young people these days do not have. We believe that you possess exceptional qualities of heart and mind. We believe that you will exercise benevolence towards all mankind and uphold the sacred rights of conscience and duty embodied in our country's constitution. That's what the Founder desired very much.

Affiliate soon with your chosen religious group and join our Alumni Association, which is one of the most loyal, most generous, most genuinely American groups of trained and successful men you will ever meet. Stand by your family, your school, your country, come what may. Be optimistic!

That is my message to you, one of the best classes ever to be graduated here, upon its parting day. Carry on, and God bless you all.

Very sincerely,

Raymond I. Haskell

JOHN WILLIAM NOLAN (REDS)

PRESIDENT OF THE STUDENT BODY

Course: General I and Sheet Metal Shop

Activities: President, Student Council, '58-'59; Echelon, '55; Captain Adjutant, '57-'58; Cadet Major, '58-'59; Soccer, '57, '58; Co-Captain Soccer Team, '58; Baseball, '58; Glee Club, '57-'58; Edward Henry Good Sportsmanship Award, '56; Christmas Pageant, '58; All-Scholastic Soccer Team, '58; All-Independent Soccer Team, '58.

A connoisseur of wit and satire, an amazing athlete with great promise, and a classmate with a personality to match his ability, Reds was an outstanding leader of our class. His understanding friendship was his enduring trait.

Dear Fellow Girardians:

As we leave Girard tomorrow, the class of 1959 will become part of the school tradition. Graduation marks not only the end of our days here, but also the beginning of a new life in which each of us will work to reach the goals he has set for the future.

Tomorrow also brings to a close my duties as Student Body President. You have chosen your leader for the coming year, but your job does not end there. It begins there. By giving your school leader your honest support, you will be adding strength to the great reputation Girard already has.

The duties and responsibilities we had must now be accepted by those of you who follow us. We have tried to contribute to the growth of Girard, and we trust that you will continue and surpass our efforts. This can be done only by exemplary effort and accomplishments in every phase of Hum life: in school, in your sports, and in the house. Girard is offering you the material for an excellent and well-rounded education. You are asked in return to accept it and to use it to strengthen yourself as an individual. If you do this, success for you and for Girard will inevitably follow.

Our learning at Girard is completed and our achievements in college, in industry, and in our personal lives will be the foundation on which the school will endure. We also realize that what Girard has given us we can never fully repay materially, but we can carry her name with honor into whatever lies before us. We will prove that we are worthy of the great heritage she has given us.

Sincerely,

John Nolan

Ang quietly accepted his responsibilities, committed himself to the betterment of our class, and did a very good job. This able confidant will remain in our hearts long after we forget his room, in which we were always welcome to discuss a problem or just carry on a pleasant conversation.

Dear Classmates:

Girard has been much more than a school to us. For the past ten years, it has been a way of life. She has cared for us in health and mind and spirit. Now, upon graduating, it is our turn to give. How can we repay our school for all that she has done for us? This question has a simple answer: "Be fiercely loyal" to her. Never do or say anything that will let her down in any way. Wherever you go and whatever you do in the future, you still have a deep obligation to your Alma Mater. There are countless ways in which you can keep the good reputation that Girardians have been enjoying for the past century. The one lasting way to preserve this name is to make the best possible use of the education you have received at Girard.

During this school year I have been privileged to be the leader of our class through its trials and successes. We have had our small grievances, but we have never lost sight of the fact that we had to continue striving to improve the "Hum." We have had a good year, and I would like to express my sincere wishes that each of you enjoys many more.

We are now standing on the threshold of a new life, and we are about to take our first step into it. The "Hum" has given us a firm foundation upon which to build the future and its meaning. We shall succeed.

We are leaving now, but we shall return. True friendship, such as we have experienced at Girard, cannot be erased by time. "Farewell dear temple on the hill," and farewell dear classmates.

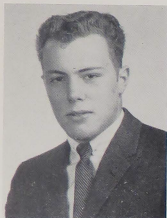

Sincerely yours,

Angelo Rosati

Course: General II and Automotive

Activities: Swimming, '56-'59; Senior Lifesaving, '57; Advanced Swimming, '57; Water Safety Aide, '57; Sergeant, Co. D, '57-'59.

Course: Academic and Stenographic

Activities: *Girard News*, Business Manager, '58-'59; Sergeant, Co. C, '57-'59; Rifle Club, '58-'59.

Course: General II and Carpentry

Activities: Senior Lifesaving, '56; Advanced Swimming, '56; Water Safety Aide, '56; Sergeant, Co. B, '58-'59; S-4 Intramural Soccer Champions, '58.

With his stomach, which he always pets with a contented look on his face, and his carefree laughter, John plays the part of a guy out to have a good time, and plays it well. School won't be the same when he says "Aufweidershen."

RICHARD FRANCIS CALHOUN (RICH)

Course: General II and Printing

Activities: Student Center, '57-'59; Rifle Club, '58-'59; S-4 Intramural Soccer Champions, '58.

Activities: Wrestling, '57-'59; Recruit Lieutenant, '58-'59; Glee Club, '58-'59; Recording Secretary, Student Council, '58-'59; S-4 Intramural Soccer Champions, '58.

Fal has an unforgettable exotic sense of humor which is so different and awkward that it is appealing—as is his shrill, incessant, one-note whistle. Even so, he is serious and sincere in everything he undertakes from trying to talk like a Frenchman in French class to marching like a soldier in the Battalion.

Class

LAWRENCE STEPHEN GALVIN (LARRY)

Course: General I and Stenographic

Activities: Rifle Club, '57-'59; Basketball, Manager, '59.

Quiet and reticent by nature, Larry is definitely an individual. Because of very deep but special interests, which he has pursued assiduously, he has not received the top marks he deserved. This year, face to face with reality, he has buckled down and is now on the road to a bright future.

Senior Life

*Seated, left to right: Mr. and Mrs. Perley H. Pease, Mr. Richard Stewart
(missing: Mr. Robert Cardin)*

Standing: Dr. William Zeil, Dr. James White, Mr. John Lander

Allen Hall — the long awaited goal — the climax of our lives in Girard College. We entered it with a feeling of eager anticipation and a willingness to accept the responsibilities before us. In retrospect we realize that we could have done better if we had known then what we know now. Hindsight as always, however, is clearer and easier to formulate than foresight. In the day-to-day living we believe that as a class we have done our best to lead the school to a higher level of accomplishment.

With the helpful advice and the patient faith of the Allen Hall housemasters, our final year was pleasant and purposeful. This staff, headed by Dr. William F. Zeil, whose sense of humor brightened many dull moments, and complemented by Dr. James D. White, Mr. John A. Lander, Mr. and Mrs. Perley H. Pease, and our two junior housemasters, Mr. Richard Stewart and Mr. Robert Cardin was what made Allen Hall the home we had anticipated it to be.

The highlight of the year was our trip to Washington, D.C., a very educational and enjoyable experience, generously made possible by the Alumni Association. None of us will forget the "thirty-six night raiders," their Hallo-we'en pranks, and the ensuing punishment. Such exuberance on this and other occasions were a vital part of our lives.

The friendships we made were strong and will be an important part of our lives. They had been growing through the years, but they matured and were firmly strengthened in the sharing of work and play, of difficulties and happiness, and of successes and failures in our days as Seniors in Allen Hall.

We have grown to love the ivy-covered walls and halls filled with laughing voices. It would be difficult to leave it with the same feeling we had when we first met it. The good life of Allen Hall is indelibly engraved in our memories.

When our soccer team ended this memorable undefeated season, a growing ambition became a reality to our class. Led by Co-Captains William Killen and John Nolan, the team had a final record of thirteen wins and no losses, breaking the all-time record for the greatest number of victories in one season. Nine of these victories were won by shutouts, eight of them in succession.

Highlights of the season were defeats of the Catholic League champions, North Catholic, a strong Navy Plebe team, and the snap of West Chester State Teachers' College Junior Varsity's twenty-one game winning streak.

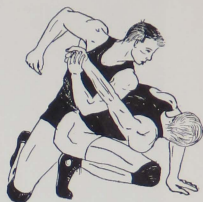

Throughout the season, Tom Flanagan, Joe Rocco, and Bill Long proved to be the nucleus of our offense. These three scored thirty-six of our fifty goals. In the "Northeast" contest, Flanagan kicked his sixteenth goal of the season, establishing himself as the highest scorer in Mr. Wolstenholme's ten years at Girard. Rocco's twelve goals earned him the distinction of being the highest runner-up in one season. The fifty goals scored in one season stands as another school record.

For their efforts in supporting a team which scored fifty times and held the opposition to six goals, goalkeeper Jack Hamilton, outside right William Long, and left halfback John Nolan were elected to the All-Scholastic team. The above three and inside right Thomas Flanagan, right halfback William Killen, and left fullback Joseph Kist were elected to the All-Independent team.

To next year's team we leave a good coach, Mr. David Wolstenholme, a string of fifteen wins, and an undying spirit that will always be associated with Girard soccer.

Girard's grapplers, defeated only once, experienced the most sensational season in their six year history. They set fifteen school records, shattered Haverford School's streak of thirty-eight consecutive victories, 24-17, won the Episcopal Invitational Wrestling Tournament, and suffered defeat only at the hands of Hill School, the Eastern prep school champions.

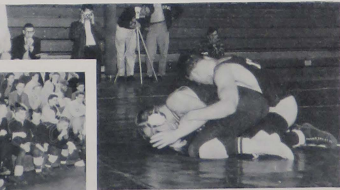

Co-captains Tom Baggio and Rocco DiBattista, along with John Kane and Jim McDevitt, proved to be the team's most consistent winners. DiBattista broke Joe Casterline's record of forty-three points in a season by notching forty-eight. His twelve consecutive victories established another record. By pinning his Friends Central opponent in fourteen seconds, Baggio registered the fastest pin in Girard history.

In the Episcopal Invitational Wrestling Tournament five men won divisional titles. At 95 pounds, Thomas Hallam, with six first-period pins during the season, was victorious. John Kane won an upset decision at 112 pounds. Baggio at 165 pounds and DiBattista at 175 pounds, repeated their last year's performance, again winning first place trophies. Heavyweight Chester Basher, a first year man, also finished first.

James Hallam, Louis Caporaletti, James McDevitt, and Richard Adams placed third to provide the needed depth to dethrone defending champion Haverford by an 81-62 margin for Haverford's first tournament loss in seven years.

The team established school records by scoring 378 points and winning 89 total matches and 11 consecutive meets. Other marks set were: the least number of points scored by the opposition, 159; the smallest number of matches lost, 39; and the fewest decisions lost, 25.

It was Coach Bradley who developed this team. His hard work, devoted interest, and unselfishness are qualities which he taught us to emulate.

This year's swimming squad was the kind that the members will talk about whenever they get together in the future. The team will be known not only for its record of eight wins, five losses and one tie, but also for the spirit it developed. Every individual was a part of the feeling that he was on the team not only to swim well, win or lose, but also to enjoy working and competing with his teammates.

Captained by Todd Ellis and Harry Leister and coached by Mr. Henry Jones, the team had a great deal of potential ability which never reached its peak. Another reason for the 8-5-1 log was the fact that there was not enough depth on the team to compete on equal terms with many of their opponents. As it was, six of the meets were dependent upon the 200-yard freestyle relay team which consisted of J. Stormer, L. Giannini, J. Stidham, and T. Ellis. The team won five of those six races to give Girard five of their eight victories.

Bob Turring of the Junior Class broke two records, one of which had existed since 1957. Bob broke his own record in the 100-yard butterfly, and when the season had ended found that he had scored 106 points to become the highest scorer in the history of the team. George Berzkalns became the other individual record holder when he lowered his own 100-yard breaststroke record by six-tenths of a second.

Outstanding swimmers on the team were Bob Turring, George Berzkalns, James Stidham, Ed Coccagna, who has a very good chance to set a record in the 200-yard freestyle next year, and Todd Ellis, who was the most versatile swimmer on the squad.

The team will remember the meet with Allentown as the high point of the season, when strategy, courage, and endurance enabled the team to come from behind to tie Allentown, 43-43.

The Mighty Midgets, as they were affectionately called by their supporters, ended the season with a 4-10 won-lost slate. With only two returning lettermen, the team was handicapped by a lack of experience from the outset. A second disadvantage was a lack of height in the players. Despite these facts the boys worked hard and in the face of defeat never gave up.

Early in the season they dropped two close decisions that could have been won. The Pennsylvania School for the Deaf defeated them in a ball-control game, 34-33, and Germantown Friends eked out a 52-50 victory in the closing seconds. Victories here could have created a definite psychological lift.

Later in defeating George School and Westtown, a good brand of basketball was displayed. Functioning as a unit, the Midgets weren't the same team that had dropped their first seven games. Killen scored 22 points against George School and went on to win team scoring honors with 154 tallies. Dependable Mark Levin, a solid backcourt performer, was runner-up with 127 points.

The starting team consisted of four Seniors and a Junior. In their one-three-one offense, Donald Ratajczak played the pivot; William Killen and William Walker were employed in the corners; in the high pivot was Alan Shuss; and Mark Levin handled the ball. This offense worked fairly well and was a deciding factor in the team's four victories.

The team's leading rebounder was Donald Ratajczak with 125 rebounds. Against towering opposition, Girard's rebounders fared better than was expected. Good timing and position were the deciding elements.

John Bradley, a sophomore, was among the ten varsity lettermen. He played good ball throughout the season and should be a bright spot on next year's five.

In his first year of coaching, Coach Richard Foley can be commended. He worked hard to overcome the team's physical disadvantages with varied offensive and defensive tactics. We thank him for his inspiration, his unceasing effort, and his understanding.

Once again the Girard fencers had an impressive season as they captured six meets while bowing twice. Under the competent coaching of Mr. Benjamin Rothberg the swordsmen should retain an important place in high school fencing in Pennsylvania. Only one member, Captain Arthur Ambrush, graduates this year.

Our team ranks high in this sport. Led by Art Ambrush the epee men proved to be the strongest unit. All were veterans of the previous year. In the saber competition the rapid development and very fine performance of Charles Dooley created strength for the team and satisfaction for the coach. He is a natural fencer who will improve with experience. In the foil event the team lacked finesse which comes from long competitive experience. The veterans of next year will have great possibilities.

Outstanding among the season's bouts was the meet with Valley Forge Military Academy. Victory depended upon the best efforts of every member. The boys "came through," and Girard won the contest, 18-10.

In the competition for the Yale Trophy, the Hum placed third after Northeast and Edison High Schools, who placed first and second respectively. Captain Art Ambrush took third in the individual epee event, and Joseph Raibley a second in the foil matches. Girard lost the cup which it had held since 1955. The good work of Coach Rothberg and his team will bring it back to Girard in 1960.

Here's how it is done.

Track

Kneeling, left to right: J. Shellers, G. McDonald, W. Grey, P. Heneban, J. Matscovak, R. Scalia, A. Forcellini, H. Roth, T. Wolff, H. Yocom

Standing: Coach Bradley, W. Long, J. Reynolds, C. Muzi, R. Try, E. Coccagna, J. Stidham, W. Evans, J. Rule, E. Smith, A. Bullock, P. Shoemaker, J. Perazzelli, T. Ellis, C. Freed, R. DiLiberto, R. Turring, M. Sedlock, K. Hipple, H. Pishko

The initial spring try-outs for the 1959 track team convinced Coach Bradley and the bench warmers that there was material for a good team. Seven returning lettermen were on hand as the core around which to develop the squad.

In the dashes Michael Sedlock, Roy DiLiberto, and Edward Coccagna were veteran stand-outs. James Reynolds in the pole vault, Edward Smith and John Perazzelli in the mile were dependable scorers. Todd Ellis, Peter Shoemaker, and Charles Freed also had the ability to contribute winning places in their events. Working with the squad as manager and starter were Henry Pishko and Gilbert McDonald. Led by Captains Sedlock and DiLiberto the candidates trained vigorously.

In the first meet of the season the Steel and Garnet spikemen won six first places of a possible eight to overwhelm Friends Select by a thirty-six point margin, 54-18. Mike Sedlock led his followers by winning four of six Girard firsts. The boys also captured four second places.

The team was set back in defeat by a score of 63-36 when they faced Episcopal Academy in their second meet. Sedlock lowered Gus Pellagotti's 1956 record in the 120 yard low hurdles from 22.1 seconds to 21.7.

Toad clears 5' 6"

Facing the Devereux School team the cindermen bounced back to win their second victory, 64½ to 24½. They placed first in every event except the mile and the high jump. Sedlock again starred with four first places.

At this early date (May 4) the members of the team individually and the squad as a whole have by their devotion to practice and hard work exhibited a steady improvement. Victories are important, yet they are not so rewarding as the tenacity which stimulates each boy to give his best efforts under any conditions.

With the outcome of the season, the team will have proved that they have the qualities which good coaching and sports develop.

Baseball

Front Row, left to right: V. Rocco, J. Kist, M. Levin, W. Killen, T. Flanagan, D. Schuler, A. Shuss, C. Weiss, F. Mochieo, C. Koennecker

Coach Cooper's baseball squad was handicapped in its pre-season practice by continual cold and rainy weather which proved to be a deciding factor in their condition for the first four games. Committing sixteen errors and striking out thirty-four times, the players were humbled four times.

Among the returning lettermen Captain Tom Flanagan was to provide heavy hitting power. William Killen, Mark Levin, Joseph Kist, and Charles Weiss were also veterans of 1958. Joe Rocco, Don Schuler, John Petronis, Daniel Walsh, and reliever Charles Koennecker made up the pitching staff. These players along with Al Shuss constituted the starting team.

Northeast High School, undefeated in its first two games, handed Girard its initial loss. Our lack of condition and experience was evident until the final three innings when we played errorless ball and collected four hits. The rally, however, came too late, and the team was on the short end of a 7-3 score.

In the second game we lost to Haverford for the first time in five years. Three unearned runs resulted in a 3-0 defeat. Opposing Marple-Newtown in the third contest, the team lost again 3-1.

Finally, in the fourth game, with Valley Forge Military Academy, the players found their batting power but still lost because of costly errors and walks. The score was 11-8.

With these losses behind them the Girardians captured their first satisfying victory by defeating the 1958 public high school champions, Bartram High, 1-0. It was a tight game in which John Petronis, backed by a team that played well, allowed only two hits.

The team has taken its defeats well and has improved with each game. It should continue to give a good account of itself and to balance out the heart-rending losses of the first four games with victories.

Safe!

S-4 CHAMPIONS

Intramural sports play a large part in giving everyone an opportunity to develop his athletic ability and his sense of teamwork.

In soccer this year, S-4 climaxed a 9-0-1 record with a hard-fought play-off victory over S-1. Until the play-off game, S-1 and S-4 were in a tie for first place with nine wins, no losses, and one tie. Then, on November 24, 1958, with final pep talks from Captains Leon Pharo and James McDavitt of S-4 and S-1, respectively, the two teams engaged in a match that went scoreless until James Becker, on a penalty kick in the latter half of the second quarter, tallied and set S-4 on top of the eventual final score of 1-0. S-1 tried valiantly, but unsuccessfully, to overcome the deficiency and with the end of the game, S-4 became Intramural Soccer Champions of 1958.

This year, the All-Intramural team lines up as follows: R. Sanville, S-1, goal; L. Pharo, S-4, fullback; L. Krassen, S-4, fullback; H. Leister, S-1, left halfback; J. Becker, S-4, center halfback; W. Green, S-1, right halfback; G. McDonald, S-1, outside left; D. Young, S-2, inside left; A. Hasty, S-3, center forward; A. DeSante, S-2, inside right; and J. McDavitt, S-1, outside right.

Under the surveillance of Mr. Paul Newhard and Commissioner Robert Williams the season was a noticeable improvement over previous years, because of effective enforcement of the rules and better refereeing.

Intramural Basketball

S-3 CHAMPIONS

*Kneeling: F. Gallagher, F. Mochico, J. Reynolds
Standing, left to right: W. Campbell, J. Nolan, W. Westerman, C. Freed*

The Intramural Basketball League was dominated by undefeated S-3. They compiled a 11-0 log and placed two players, Charles Freed and Jack Hamilton, on the All-Intramural team.

Second-place finisher S-2 was led by All-Intramural Don Schuler, who averaged 26 points a game. Schuler was a dependable backcourt performer who also did well off the boards.

William McLaughlin, another All-Intramural team member, paced the third place S-1 team with a league-leading average of 50 points per game and a season total of 509. His 186 points against 10-3 set an all-time league record.

J-4 led team scoring with 1,168 points. Their 214 points against 10-1 was a single-game high for the season. John Hagerty, the only Junior on the All-Intramural team was responsible for most of J-4's high scoring antics. He averaged 47 points a game and lost scoring honors only on McLaughlin's late season surge.

Any intramural league is only as good as its commissioner. In Robert Sanville we had a very able and efficient official who put tremendous effort into his job.
